CHAPTER 1

MISCELLANEOUS

SECTION

20-101. Restriction on providing utilities to new buildings.

20-101. Restriction on providing utilities to new buildings. It shall be unlawful for any city board or employee to provide any new building or building site within the city with any utility service before a building permit has been issued. Upon discovery of a violation of this section, it shall be the duty of the utility board having jurisdiction to discontinue its service immediately until a building permit is issued.
